

## Juan de Fuca

**Location:** 1767 Island Highway. Take the View Royal/Colwood exit from Highway #1 (Exit 10). The Rec Centre is located on the left hand side just before Ocean Blvd.

**Parking:** Next to the arena.

**Radio Room:** Enter the front door, turn right and take the elevator or stairs up one floor (to “Look-out Lounge”) and it is in the Press Box on the west side up about six steps. If the room gets cold, there is a heater switch (red button).

**Radio:** Box 18, Icom IC-2100H **Antenna:** A fixed antenna is in place above the Press box however it does not work effectively so you will have to use the antenna in the radio box.. Place mag mount ant outside on blue beam on right side of room (upside down).

**Overnight storage:** Radio Equipment and folder to be stored in the office. Sunday morning it will be necessary to get the key from the manager (who is also the Zamboni operator) or the cleaners (who are often in a small room next to the elevator on the upper level).

**Divisional Scores:** Posted in the spectator area at the end of the ice away from the radio room. Use the wall opposite the ice side.

**Placement of Equipment at End of Tournament:** Last operator on Sunday is to return equipment to Neil Townsend (VE7NIL) who should be on the air and will meet the radio operator.
