**Location:** From Esquimalt Road turn right onto Admirals. At the next traffic light, turn left onto Woodway. There will be a commissionaire on duty at the gate, who can if necessary direct you to the Wurtele Arena. The commissionaire will ask for your driver's license to record the number. Once past the gate turn right onto Ontario. Make sure to make a full stop at the stop sign at Woodway and Ontario since Military Police are vigilant about ticketing violators. Head for approx one block and bear to the right and find parking near the sports complex. **Parking:** Near the sports complex or arena. Do NOT park in any specially designated spots.

**Radio site:** Located by entering the main door, entering rink and turning left. Between the 2 bleachers you can set up a table. There is AC power and the bleachers are heated and the timekeeper is only a few feet away. Handheld radio reception is poor inside the arena. **Note:** NO SMOKING and NO ALCOHOL is strictly enforced everywhere in this building. If the overhead heaters go off, look for a box on the wall marked "for heat.....". Open the flap and there are 4 timers, 2 for each of the bleachers. Just turn on the ones you need (left or right).

**Radio:** Box 16 - Icom IC-2100H. **Antenna:** J-pole with long coaxial cable. Mount antenna outside of the building on top of hill using extra long coax. The door to the outside is right next to AC power outlet.

**Overnight storage:** Arrange for staff to have it locked in the office .

**Divisional scores:** Divisional scores are posted by the office inside the arena.

**Placement of Equipment at End of Tournament:** Last operator on Sunday is to return equipment to Neil Townsend (VE7NIL) who should be on the air and will meet the radio operator. .
